The fire truck passed me by
I keep thinking when's my time
The ambulance lays rubber down
The guys like driving that thing around
So would i

I'm not done yet
I'm not done yet
I'm not done yet
Want all I can get

Since I am still alive
I would rather not just hide from
Things I don't comprehend
I feel so brittle and I want to bend
So would i

I'm not done yet
I'm not done yet
I'm not done yet
Want all I can get

There's more skin to shed
Lies to forget
Greens not yet turned red

Since I am still alive
I would rather not just hide from
Things I don't comprehend
I feel so brittle and I want to bend

I'm not done yet
I'm not done yet
I'm not done yet
I'm not done yet
