I'm screaming in your ear right now
Trying to get a response
And I'm saying anything I can think of
I tell you I'm a Nazi and I love the Ku Klux Klan
I'm going to kill the president
Do you like my plan?
Mr and Mrs Indifference
Mr and Mrs Indifference
Mr and Mrs Indifference
I've got a sawed off shotgun and it's pointed at your
heart
Far too long have you and your God been apart
But still that little smile is blandly plastered on your
face
Maybe I should just resort to mace
Mr and Mrs Indifference
Mr and Mrs Indifference
Mr and Mrs Indifference
Keep on sleeping
Keep on sleeping
Just ignoring the weeping
Keep on sleeping
Mr and Mrs Indifference
Mr and Mrs Indifference
Mr and Mrs Indifference
Keep on sleeping
