[ice cube] oh yeah, oh yeah, oh yeah, oh yeah  
It ain't over motherfuckers  
(no shit!)

[rza]

As we enter, the beginning of the end  
(the sounds you are about to hear, may be devastating  
to your ear)  
The end, of the beginning  
Fr-from the pits, from the, ark  
It ain't over, aiain't never gonna be over!  
We got the paul newman!  
Grave, gravediggaz!  
The shadow, the dark side  
Wh-when you least expect  
Uh-under the bed!  
Lurking, lurking! yeah, forever  
Gatekeeper  
Grym reaper  
Ryzarector  
Undertaker  
There's-the-there's nowhere to run  
No-nowhere to hide  
It's a suicide, a suicide  
'cause we got the constant elevation, constant,  
constant  
So witness the diary of a madman  
Come come, as we bring the sorceress, the sorceress  
(I love it, I love it I love it!)  
Pass-pa-pass the shovel kid  
We gotta dig another grave  
One, eight hundred, suicide

[gate keeper]  
The world it ain't safe it ain't safe no more  
The world it ain't safe no more  
(repeats until track vanishes)

Gravediggaz \*gravediggaz\* gravediggaz!
