Intro: ryzarector, grym reaper

Aiyyo reaper, those kids out there say you're mad  
thirsty

You got somethin for them to drink?

Yo we can wet up two cups of blood

Verse one:

Arm to the leg, leg, on to the head! yo  
Be the ryzarector, resurrect the mental dead  
G to the r to the y m reaper  
As I get deeper than a crypt, resurrect, kid!  
Don't go against the grain, mad slang is my thang  
I leave the hearty party with a bang buzza  
Boom! check my tune, it gotcha hyper  
Don't give a fuck about a sucker c-cipher!  
As you decipher the tricks of a viper  
Swine is lethal! ... is evil!  
I am original, we can build upon  
The I'll form, and keep all your braincells warm!  
Hocus pocus, yo! what's the focus?  
Weak techniques you speak, the shit is bogus  
Even in a mortuary, slangin' some boom  
As I seek the knowl' from the womb to the tomb

Verse two:

Yo!

Deadly, deadly, hyah! get ready

Here come the styler, wilder than freddy

Dead

Cause a krueger, boom, I do ya

Just to let ya know gravediggaz comin' through ya

Dead stinkin' rotten, your braincells forgotten

The past, you had your bumba raas pickin' cotton

Now ya hate ya knotty hairstyles

I guess you figure the texture is too wild

Child

Two cups of blood, boy

Two cups of blood, girl

Aw, drink that shit up
