so for all y'all niggaz out there that be puffin shit  
when the music go on, y'all listen to this alright?]

Verse One: Prince Rakeem/Ryzarector

Let's get it on ock, and watch the spot get blown  
I be the sick lunatic with the devilish poem  
From the mists of the darkness I come with this  
Hittin straight, to the chest, like a Primatene mist  
Ryzarector, YAH, the fanatical type  
I'm like a bat, in the night, when it's time to take flight  
Here I am, in the flesh, and yes I love sess  
I'm obsessed, by the sounds, the track possess  
Intellectual, killer, special majestic  
Ropin up the devils have em hangin from my testicles  
Nowhere to run to ba-bay  
There's nowhere to hide

Verse Two: Too Poetic/Grym Reaper

Ahh... fuckit! Another day, another ducat  
From here to Nantucket MC's kick the bucket  
I'm rugged ruff flow-in up till I bust  
While other rappers is flatter than a white girl's butt  
I manifest my name and the reason I came in the first  
place  
word shake your brain just like an earthquake  
A lot of people admit that I am raw  
I cover my ass like a V-I-M, store  
My forms are real wicked like Dahmer  
A whole mob of a lot of niggaz is like a meal ticket  
It's nowhere to run to ba-bay  
It's nowhere to hide

Verse Three: Fruitkwan/Gatekeeper

Yo  
As a child, a bad seed, was on the prowl  
Runnin mad wild, cause death was my style  
The crazy, maniac, yo lunatic  
I circle like a shark when the fresh blood drips

Needles to the pen now you're in  
I eat em then I feed em chop chop rippin sheets from  
your skin  
Terror is in, with the RZA and the Grym  
Problem one now begins, hah!  
Streak up your skull to the sides of a freedom  
Record to the meter, so tell me who could be the next  
one  
Gravediggaz complex death oath  
And watch King Tee, kill a fuckin note  
Here we go, I'm cursed with dawn you was warned  
And now, I'm slayin every new firstborn  
It's nowhere to run to ba-bay  
It's nowhere to hide  
It's nowhere to run to ba-bay  
You best to stay inside  
...  
You best to stay inside

#### Verse Four: Prince Rakeem/Ryzarector

Here comes the drastic...[Protect Ya Neck intro]  
just like... a tactic, attack it, attackin, ATTACKIN  
I'm wrappin you bastard now prepare your casket  
Death is the final step, when y'all step  
To intercept, the rep, of a brother, who has kept  
his status, stop the madness, that is  
I flow just to show that, black, y'all can know that  
me, being wack is like naps on Kojak  
Eruptions of volcanoes, o-ccur when I speak  
Try to twist my dialect and get caught by tornadoes  
There's nowhere to run to ba-bay  
There's nowhere to hide  
There's nowhere to run to ba-bay  
You best to stay inside

#### Outro: Prince Paul/The Undertaker

{Nowhere to run, nowhere to hide  
Nowhere to run, nowhere to hide  
Nowhere to run, nowhere to hide  
Nowhere to run, nowhere to hide}  
Cause there's nowhere to run, cause there's nowhere  
to hide  
Cause there's nowhere to run, cause there's nowhere  
to hide  
And just when you thought it was safe to make records  
From the bottomless pit, the RZA, the Keeper, the  
Reaper  
And myself the Undertaker  
Pourin gravy all on your brains, you know what I'm

sayin?

And this one goes out, to all of those who thought the  
Gravediggaz would fall

All of those who forgot to take No-Doz

All the low-life snakes and liars, you know who you are

And to the A&R who couldn't understand the product

Now look who's on top

[Nigga, word to life

Nigga, you gonna say boo to us?

Much money as we bring in this motherfucker?

You don't own the place anyway! The white man own it.

You just frontin your ass off!]
