Bless these Children  
Blessed he who BBQ's  
Blessed he who giveth to thee  
Alright folks, I want you to take a step back  
I want you to dig into those pockets for me now  
i want you to dig deep for me now  
I WANT YOU TO DIG!!!

I am your father  
I am your priest  
Your only Messiah  
To say the least  
So donate and give, give generously  
Give all you got, GIVE IT TO ME!

I run this place, the House of God  
With your new God "GRILL", your dreams fulfilled  
If these walls could talk, the stories they'd tell  
And if they did, I'd be in a whole lotta HELL!

So I'm close to the pope, ya know what that means  
I can grab and grope and do as I please  
Gone into confession, my gamblins in session  
Now tell me your sins, 3 cherries I win!

I cheat on the church and embezzle with Greed  
I cheat on the church and I take what I need  
I cheat on the church and I do as I please  
I cheat on the church, boy get down on your knees!
