I'd walk across..
I'd walk across the world to see Jessica smile and if she
wasn't home I'd come back again
Maybe a year from now or maybe tomorrow
I'd walk across the world to see Jessica again

The world was beautiful when Jessica smiled I always
thought that we would always be friends
She never understood my suffering and sorrow
I'd walk across the world to see Jessica again

I don't want to fight you I just wanted to see you again
Squeez the life inside you to know you were not just
make pretend... Ooh no.

I heard that Jess is livin' out in California somewhere
along the Golden beach of L.A.
I thought that Jessica would live out in Colorado, the
Rocky Mountain fever or the San Francisco Bay

I don't want to fight you I just wanted to see you again
Squeez the life inside you to know you were not just
make pretend

Pretend I never met you, never seen your beautiful face
I don't believe you don't remember what I could never
forget

I'd walk across the world to see jessica smile and if she
wasn't home I'd come back again
Maybe a year from now or maybe tomorrow
I'd walk across the world to see Jessica again

I don't want to fight you
I just wanted to see you again
Squeez the life inside you to know you were not just
pretend
I know you were not just pretend
I just wanted to see you again

JESSICA
JESSICA SMILE

JESSICA
JESSICA SMILE

I'd walk across the world to see Jessica Smile and if she
wasn't home I'd come back again
Jessica is magical and mystical and wild
I'd walk across the world to see Jessica again
Woah
