You are the king of the world  
And everyone knows your name  
You can't expect that everybody  
Will feel the same

Because it's all that you feel  
And so you're living a lie  
The more you want  
The less that you receive  
And they will adore you

And they will hear you cry out  
I want my 15 minutes

My 15 minutes of shame  
Who wants to play on their fear

Now what is left for everybody  
You are a snake in the grass  
To take away

You know the harder they fall  
The bigger everything seems

The more you want  
The less that you believe

And they will adore you

And they will hear you cry out  
I want my 15 minutes  
My 15 minutes of shame

They're waiting for you to fall down  
And they kneel before  
And they will hear you cry out  
And they will adore you

I want my 15 minutes

My 15 minutes of shame  
15 minutes I want it

I want it
