[Intro]

Yeah, this song right here  
Is about a young man  
Who's endured a lot of twists and turns in his life  
Cause he always kept his head up, stayed focused  
This man's name is Mario Winans, listen

[Chorus - Mario Winans]

What makes you think I can't make it?  
Put me to the test, I'll take it  
I've been through more trials  
But I've overcome all of them  
And I've never been one for faking  
I kept on moving and shaking  
And that's how I made it

[Verse - Mario Winans]

I've seen it all  
But I never let no one  
Tell me it's right, when it's wrong  
Cause I heard it all before  
And it gives me a reason to fight for  
A right for, to do what I gotta do

[Chorus]

[Verse - Mario Winans]

All of my life  
I was told that you had to go through  
Just to get where you want  
And if you come across a storm  
You just gotta keep holding on, and stay strong  
And do what you gotta do

[Chorus]

[Verse - Jadakiss]

Aiyyo you can hit the dance floor now, you ain't gotta  
wait  
We can take this outside, you ain't gotta hate  
This here is a family affair, the family is here

Everybody put your hands in the air  
And we don't need no hateration  
Somebody better calm duke down cause the eight'll  
lace him  
So while you're waitin get it perculatin  
Love to smoke preferably purple haze and, sharp as a  
buck fifty  
Doin my dance and honey mad cause she can't keep  
up with me  
But I'm still bangin 'em, soggin 'em, still robbin 'em  
And the whole world know Kiss is a problem  
But I ain't come to fight, I came to have fun tonight  
And hit more than one tonight

[Chorus]
