Well I wanna get in the whole world's pants
And when my beaver's hungry preemies ain't got a
chance
I turn it out in granny glasses and hotpants
And my digs are decked out for statutory romance
WITH HIM EVERY NITE I WANNA ROCK OUT
WITH HIM EVERY NIGHT I WANNA ROCK OUT
WITH HIM EVERY NITE UNDER THE HUMP LITES
OH YEAH HUMP LITES OH YEAH
Well they call me your grandma 'cause I'm two-
hundred-and six but I got a lollipop you know you
wanna lick
I'll bounce up and down on the preemie trampoline
And shake my pop-poms 'cause I'm Chunky Superteen
(Repeat chorus)
'cause I am your grandma She is your grandma!!! x8
