Shake it, shake it

What are you shaking?
The bottle is full
It really looks good

What are you shaking?
And does it feel good?
I wanna be you

Go!

Not so violated
Tastes like butterflies
Watch your television
I don't wanna be you

Hey, hey, hey

Shake it, shake it
Shake it, shake it
Shake it, shake it
Shake it, shake it

Go!
Hey, hey, hey

You're medicated
It's running through you
Can you feel it?

I know you're shaking
Like you want to
Does it thrill you?

Go!

Feel so penetrated
Fake your suicide
I know what you hated
I just wanna be you

Hey, hey, hey

Shake it, shake it
Shake it, shake it
Shake it, shake it
Shake it, shake it

Go!

Go!

I'm so violated
Tastes like butterflies
Watch your television
I don't wanna be you

Hey, hey, hey
Hey, hey, hey

Shake it, shake it
Shake it, shake it
Shake it, shake it
Shake it, shake it

Go!

Feel so penetrated
Fake your suicide
I know what you hated
I don't wanna be
