And I was feelin' kinda g'deen so I took off my pants
and I did the thingy (repeat) Had a funny feeling your
dong was quite appealing so down came my pants
Reached into my beaver and made you a believer in
the latest forbidden dance I saw him in a magazine I
wanted to rip off his clothes and tell him something
First you stick it in then you wiggle about Follow my
steps I'm gonna turn yins out When I wanna screw I put
on something blue from 1974 When I'm feeling g'deen
there's only one thing that can turn me on more Feel
the power, jump in the shower I'm gonna fuck you in
outer space Can you believe how g'deen this is We can
do it all over the place Feelin' kinda g'deen so I took off
my pants and I did the thingy (repeat) C'mon
ev'rybody, DO THE THINGY!!!! SO G'DEEN!!! MY
PANTS!!!! A dooey dooey doo yeah-ha-ha...
