"Bad To Di Bone"

Visit "[Bad To Di Bone](#)" on [MotoLyrics.com](#)

(Intro)

is this for real
this cant be real
are you for real
i must be dreaming
is this for real
this cant be real
woahhhhhhhhhh

(Chorus)

ya so bad to di bone
cant leave you alone
it's like yo inside my dreams
a perfect fantasy (X2)

(Verse 1)

cuz every kiss, every touch
boy you got me blushing
you blew mind roll in lika a russian
im on a double baby inna rush
boy you put your spell on me
cuz every minute, every day
boy you got me senseless
i put my gaurd down playin' my defenses
im inna loop boy lost in you love
boy you know me need it so much

(Chorus)

ya so bad to di bone
cant leave you alone
it's like yo inside my dreams
a perfect fantasy (X2)

(Verse 2)

a now fling it up, back it up
i make it tear it up
de way you put it on me
i gotta give it up
you know what im in luck
i wanna love you up
i wanna let you know
i never let you go

daddy you have the ticket and you get the price
bad to di bone ah you know me no like
adamana check it but a dem get it klein
that's why me love you long time

(Chorus)

ya so bad to di bone
cant leave you alone
it's like yo inside my dreams
a perfect fantasy (X2)

(Verse 3)

cuz every kiss, every touch
boy you got me blushing
you blew mind roll in lika a russian
im on a double baby inna rush
boy you put your spell on me
cuz every minute, every day
boy you got me senseless
i put my gaurd down playin' my defenses
im inna loop boy lost in you love
boy you know me need it so much

(Chorus)

ya so bad to di bone
cant leave you alone
it's like yo inside my dreams
a perfect fantasy (X2)

(Verse 4)

a now fling it up, back it up
i make it tear it up
de way you put it on me
i gotta give it up
you know what im in luck
i wanna love you up
i wanna let you know
i never let you go
daddy you have the ticket and you get the price
bad to di bone ah you know me no like
adamana check it but a dem get it klein
that's why me love you long time

(Chorus)

ya so bad to di bone
cant leave you alone
it's like yo inside my dreams
a perfect fantasy (X2)
