Somebody, somebody, somebody brought me out of it  
Misery pleasy that I am in, you just have me hanging  
on like a piece of threat  
Do I have stupid written on my head?  
I'm stuck at two can't get to one, I guess she won yeah  
But I still love him, so, so, so-o-o-o

Ref.:

He don't need a reason to be touchin' on my body,  
He be messin' with my mind, got me buggin' all the  
time  
Got me tired of playin shackles and I cant get out  
And it dont make no difference if I scream or shout.  
He dont need a reason to come knockin, at my door  
Got me beggin' him for me, I'm addicted, I'm addicted  
And I'm tired of playing shackles and I can't get out  
And it dont make no difference if i scream our shout

Somebody save me from myself, somebody please  
save me  
Because i ne-e-e-ed help  
So tellin me, tellin me, tellin me baby boy you come it?  
If i gave just a little more of it, you never have to worry  
bout where i've been  
Cuz you're, you're the only one chekin' in, yeah  
Im stuck at two, can't get to three, is this my destiny?  
But i still love him, so so, so-o-o-o

Ref.

So baby, why do you do me this way, so baby why do  
you do me this way?  
you got me, you got me down in a days,  
You got me, you got me all in a craze.  
No baby, no I can't take it no more,  
See baby, sometimes I feel so unsure,  
And baby I cant believe , that i do everything,  
That I do for you, oh

Ref.

Damn  
Whatever

Like im definite  
Im done being your match  
Okay  
Done  
Done  
Done  
Being your match
