So much to say and I
Dont want to say outloud
And you keep doing everything I like
Come get me baby

Look i'm in a good night mood
Do you wanna do what i wanna do (question)
Are you in the mood?
Do you wanna do what i wanna do (baby)
Do you think we could leave?
Wanna do what i wanna do
Uh hmm, uh huh, I know you do
Yea I...wanna...uh huh with you

(Uhh) this is serious
Your dancing's pulling me so close
And I'm curious
Do you need more than just one night?
Ooo baby i just might give into what i feel
(Uhh) you make me wanna give you each and
everything

Look i'm in a good night mood
Do you wanna do what i wanna do (question)
Are you in the mood?
Do you wanna do what i wanna do (baby)
Do you think we could leave?
Wanna do what i wanna do
Uh hmm, uh huh, I know you do
Yea I...wanna...uh huh with you

Oh my goodness its amazing
How one touch can make me weak
I'm lost inside amazement
i'm lost come and get lost with me
All of my senses magnified
And you are always on my mind
I'd do you day and night
Doing all the things i like
Look i'm in a good night mood
Do you wanna do what i wanna do (question)
Are you in the mood?

Do you wanna do what i wanna do (baby)
Do you think we could leave?
Wanna do what i wanna do
Uh hmm, uh huh, I know you do
Yea I...wanna...uh huh with you

Look i'm in a good night mood
Do you wanna do what i wanna do (question)
