Jus you alone I'm feeling

When the nights get cold and lonely baby

It's your arms I'm needing

Cause (I)

I'll love you till the day I (die)

I'm never gonna let (you go)

(Oh no), my baby

Leave me now and I'll go crazy

(yooooou)

You're the only one for (meeee)

And you know it's plain to see

That We, gon' be

Thuggin it for ever more

We gon' ride, we gon' ride

We gon' ride until we die

We gonna watch the sun set

[?]we're the moment

It's you and me for life

That's right

With you, It's OK

And I don't need no one baby
