Girl you know that this is wrong  
Got to go one way or the other  
I can't keep turning my love off and on  
If we really love each other  
I've said enough for both of us  
And I'm starving for your touch

Baby bring it on back  
Bring your sweet love back to me girl  
Baby bring it on back  
I'm so lonely, can't you see

When the falling leaves are filled with rain  
Oh, you heart it calls to me  
Say when will I see you again  
And the wind will answer me  
I need your arms to comfort me  
Oh I want to hold you tenderly

Baby bring it on back  
Bring your sweet love back to me girl  
Baby bring it on back  
I'm so lonely, can't you see

It's not right to leave it up to fate  
If we don't try to work it out  
It might be too late  
Bring the love and caring back  
Bring it all back to me  
Because all I feel now is the lack  
Babe, bring it all back  
Such a sad song, sad song to me  
Cause with you baby  
Such a sad song, sad song to me

Baby bring it on back  
I want your love, yes I do girl  
Baby bring it on back  
Lone-lon-lon  
Baby bring it on back  
Baby bring it on back  
Baby I say baby

Baby bring it on back  
I know, back to me
