Music & Lyrics: Domenic Bugatti & Frank Muskeer
Vocals: Maureen Teffy (Spring), Lorna Luft (Summer),
Alison Price (Fall), Michelle Pfeiffer (Winter)

I'll be yours in springtime when the flowers are in
bloom.
We'll wander through the meadows, in all their sweet
perfume.
And every night I'll hold you tight beneath that April
moon.

Ahhh Ahhh Ahhh
I'll be your girl for all seasons, all the year through.
Your girl for all seasons,
'Cause I love, yes I love to be everything to you, just
you.

I'll be yours in summer, when we're playin' in the sand.
We'll spend the day together, makin' love and gettin'
tanned.
And on the beach at sunset, when we're walking hand
in hand.

(Chorus)

If you fall in the fall, you'll see, September can be
heavenly.
If you fall, say you'll fall for me,
When autumn leaves are fallin' from the trees.

I'll be yours in winter, when the snow is on the ground.
I'll warm you through December, and I'll always be
around.
We'll kiss below the mistletoe, when Santa comes to
town.

(Chorus)

Girl for all seasons, I'll be your girl for all seasons.

Summer in sunshine, winter in snowflakes.
Springtime in showers, falling in love.
Summer, winter, spring, and fall
Yes, I'll be everything to you.
