I spend my days just mooning, so sad and blue, so sad
and blue

I spend my nights just mooning, all over you (all over
who?)

Oh I'm so full of love, as any fool can see
Cause ages up above, have hung the moon on me

(Why must you go) why must I go on mooning, so all
alone (so all alone)

There would be no (there would be no) more mooning,
if you would call me

(I've found a phone)

I'm lying by myself in bed, I cry and give myself the red
eye

Mooning over you

I'll stay behind (you'll stay behind) you mooning
forevermore

(forevermore)

Someday you'll find (someday we'll find) me mooning
at your front door

(at my front door)

Oh, everyday at school I want ya, always will until I got
ya

Mooning too (there's a moon up tonight)
