Here I go again
My heart's on the line
I'm willing to pretend
One more time
I got some life to spend
On even rhymes
But when I reach the end
Will you, will you, will you be mine

[Chorus:]

This time I know your not the answer to my prayer
And I have grown with each disappointment through
the years
And as bad as I am, and as bad as I am
I'm still here.

On the road again
I've paid a fine
Where now is the friend
I leave, I leave, I leave behind

I'm goin' round the bend
One more climb
But when I reach the end
Will you, will you, will you be mine

This time I know your not the answer to my prayer
And I have grown with each disappointment through
the years
And as bad as I am, and as bad as I am, and as bad as
I am
I'm still here.

This time I know your not the answer to my prayer
And I have grown with each disappointment through
the years
And as bad as I am, and as bad as I am, and as bad as
I am
I'm still here.

I'm still here
I'm still here
I'm still here
