"Fast As I Can"

From the first hello you gave to me
I've done nothing else but smile
But it's gonna take a while.
And I know you're in a hurry
So forgive me if we go slow,
Chorus:
But there's something I think you should know...
This feeling's coming on way too fast

I'll tell you all of the things that you'll never forget
I'm goin fast as I can, please don't make me rush
But I'm not ready say, "I love you" yet
I'm not ready to say "I love you" yet.

Don't push me in too deep,
-- Whistle Solo
I've always been the fool who rushes in.
You've got to take the pieces one-by-one before you've
got everything.
So forgive me if we go slow but there's something I
think you should know...

Chorus -- Whistle Solo
Oh! There'll be times when I'm mistaken
But you needn't doubt we can work it out
There'll be times when we're gonna fight
And in time we'll get it right.
So forgive me if we go slow but there's something I
think you should know...

Chorus x 2 -- Whistle Solo
