I spend my days just mooning
So sad and blue, so sad and blue
I spend my nights just mooning
All over you, all over who

Oh, I'm so full of love
As any fool can see
'Cause angels up above
Have hung a moon on me

Why must you go?
Why must I go on mooning
So all alone
So all alone?

There would be no
There would be no more mooning
If you would call me
Up on the phone

I guess I'll keep on strikin' poses
'Til my cheeks have lost their roses
Mooning over you

I'll stand behind
You'll stand behind, you mooning
Forevermore, forevermore

And someday you'll find
Someday I'll find you mooning
At your front door, at my front door

Oh, everyday at school I watch ya
Always [Incomprehensible] I got ya
Mooning too

There's a moon out tonight
