"Recruiting Sergeant"

Two recruiting sergeants came to the CLB,
For the sons of the merchants, to join the Blue Puttees
So all the hands enlisted, five hundred young men...
Enlist ye Newfoundlanders and come follow me

They crossed the broad Atlantic in the brave Florizel,
And on the sands of Suvla, they entered into hell
And on those bloody beaches, the first of them fell...
Enlist ye Newfoundlanders and come follow me

CHORUS:

So it's over the mountains, and over the sea
Come brave Newfoundlanders and join the Blue
Puttees
You'll fight the Hun in Flanders, and at Galipoli
Enlist ye Newfoundlanders and come follow me

The call came from London, for the last July drive
"To the trenches with the regiment, prepare yourselves
to die"
The roll call next morning, just a handful survived.
Enlist ye Newfoundlanders and come follow me

CHORUS

The stone men on Water Street still cry for the day
When the pride of the city went marching away
A thousand men slaughtered, to hear the King say
Enlist ye Newfoundlanders and come follow me

CHORUS (x2)

Enlist ye Newfoundlanders and come follow me
