La, la, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la, la  
La, la, la, la, la, la, la, la, la  
Oh, oh, oh  
Rock 'n' roll party queen

Little girl do ya know what I mean?  
Pretty soon, she'll be seventeen  
They tell me her names Betty Jean  
Oh, oh, oh  
Rock 'n' roll party queen

Friday night and she's got a date  
Goin' places just a stayin' out late  
Droppin' dimes in the record machine  
Oh, oh, oh  
Rock 'n' roll party queen

Pa, pa, pa, pa, pa, pa, oh no  
Can I have the car tonight?  
Baby, baby, can I be the one  
To love you with all of my might?  
Aye, aye, aye, aye

She's the girl that all the kids love  
They talk about her wherever she goes  
I could write a fan magazine  
About my rock 'n' roll party queen

La, la, la, rock 'n' roll party queen  
Oh oh, oh oh, oh oh, rock 'n' roll party queen  
Pa, pa, pa, pa, you should see her shake  
Baby, baby, don't you call it puppy luck  
Don't you want a true romance?

Rockin' and rollin', little party queen  
We're gonna do the strawl, hey party queen  
You know, I love you so, my party queen  
You're my rockin' and my rollin' party queen
