Written by 'Slade'

I like black and white

Dream in black in white

You like black and white

Run runaway

CHORUS:

See chameleon lying there in the sun

All things to everyone

Run runaway

If your in the swing

Money ain't everything

If your in the swing

Run runaway

CHORUS

If you got a crush

Don't beat around the bush

If you got a crush

Run runaway

CHORUS

Oh now can't she wait?

No no come on and wait

Oh now can't she wait?

Run runaway

CHORUS

I like black and white

Dream in black in white

You like black and white

Run runaway

CHORUS
