

Grease

"Those Magic Changes"

What's that playing on the radio, why do I start swaying
to and fro
I have never heard that song before, but if I don't hear
it anymore
It's still familiar to me, sends a thrill right through me
'Cause those chords remind me of the night that I first
fell in love to

Those magic changes my heart arranges

A melody that's never the same, a melody that's calling
your name
It begs you please, come back to me
Please, return to me, don't go away again, oh make
them play again
The music I wanna hear is once again, you whisper in
my ear
Oh my darling, oh oh

I'll be waiting by the radio, you'll come back to me
someday, I know
Been so long since our last goodbye, but I'm singin' as
I cry
While the bass is sounding, while the drums are
pounding
Beatings of my broken heart will rise the first place of
the charts

Oh my heart arranges, oh those magic changes, oh oh,
oh oh yeah
