Oh they call me Hangin' Johnny
Away, boys, away
But I never hanged nobody
And it's hang, boys, hang

Well, first I hanged me mother
Away, boys, away
Me sister and me brother
And it's hang, boys, hang

Well, next I hanged me granny
Aaway, boys, away
Well, I'd hang the holy family
And its hang, boys, hang

Well I never hangs for money
Away, boys, away
It's just that hangin's so bloody funny
And it's hang, boys, hang

Oh they calls me Hangin' Johnny
Away, boys, away
But I never hanged nobody
And it's hang, boys, hang
