All eyes on her from dawn till dusk  
Hanging on her every word  
Kings and queens never saw such a fuss  
Servants are waiting to serve

Sally Ann, Sally Ann  
Ah, when you dance  
Every move that you make is amazing  
Take my heart, take my hand  
Hey Sally Ann  
Life will be all that you make it

I must've got caught in your hair so bright  
Lost in your eyes so blue  
I followed around in circles all night  
For a chance to dance with you

Sally Ann, Sally Ann  
Ah, when you dance  
Every move that you make is amazing  
Take my heart, take my hand  
Hey Sally Ann  
Life will be all that you make it

It breaks my heart to see her cry  
I'm a fool for her that's for sure  
You see me swallowing my pride  
She's got me crawling on the floor

Sally Ann, Sally Ann  
Ah, when you dance  
Every move that you make is amazing  
Take my heart, take my hand  
Hey Sally Ann  
Life will be all that you make it

Sally Ann, ah Sally Ann  
Every move that you make is amazing  
Take my heart, take my hand  
Hey Sally Ann  
Life will be all, life will be all  
Life will be all that you make it
