Somedays I feel sad and lonely
Somedays I feel fine
Somedays the clock just ticks too slowly
And I wish away my time

But when you come to me
I realize how wonderful this life can be
With you, you and me

Somedays I get so psychotic
And somedays I am blue
Somedays I sip my gin and tonic
And I wonder what the world will do

[chorus]

Somedays I think I just fell from the sky
Somedays I see a child and start to cry
But everyday I try

Somedays I am virtuous
More days I am bad
Somedays I just can't get enough
Of the sweetest thing I've ever had

[Chorus]
