

Great Big Sea "What Are You At?"

Well I was walking in the main land city
And I was feeling so alone
I was looking for someone or thing to remind me of my
home
What I wouldn't give to have somebody nod or wink at
me

Cause that's the way we say hello in my home down by
the sea
We never say "hello" or "how's it going?", "good day"
or any of that
We just look at them and nod our heads and wink say
'Whadd'ya At?'

[Chorus:]

Whadd'ya At? How's she going buddy, Whadd'ya At
today?
Whadd'ya At? How's she going buddy, Whadd'ya At
today?

But then I walked into a shopping mall and much to my
surprise
An old friend from my hometown was a sight for my
sore eyes

And of all the people I met down in the city or in the
mall

I think I like my hometown friend the best one of them
all
Because he didn't say "hello" or "hows it going today?"
or any of that
My old friend he just looked at me and smiled said
"Whadd'ya At?"

[Chorus 2x]

Let this be a lesson to all our people who go away
Remember if you meet someone the special words we
say
We don't ever say "hello" or "how's it going?", "good
day"

Or any of that.
You just look at them and nod your head now wink say
"Whadd'ya At?"

[Chorus]
