Dad I love you, Mom I love you so much  
Please don't go, I know you miss me so much  
I want you so much Jesus cares about us  
dad I love you, Mom I love you so much  
I know you want to be with me  
Dad she's coming back to me  
Momma was gone, she said she's coming back  
I never stopped being me, Dad I love you so much  
Dad I love, Mom I love you so much  
You're the only one for me, I love you wherever you go  
Happy Father's Day Dad, are you all fine  
I want to save you in my mind  
Dad I want you to be in my mind forever  
I love you the way you love me  
I want to be with you, be with me forever
