She comes to me in my dreams
Dancing on the stormy seas
The light to guide my way

There was sorrow in my mind
She helped me to find
My way to the pearly gates

She's here to say it's not the same as yesterday
You can change and you don't have to be alone
She's here to say there's a better way
If you'll open your heart

Goodbye to the life that blinded me
Hello to the one who saved me
Goodbye to the life that blinded me
Hello to the one who saved me

There is room for everyone who listens
There's a Heaven for those who are wishing
When I get that broken kind of feeling
I have a friend I can believe in

She's here to say it's not the same as yesterday
You can change and you don't have to be alone
She's here to say there's a better way
If you'll open your heart

Goodbye to the life that blinded me
Hello to the one who saved me
Goodbye to the life that blinded me
Hello to the one who saved me
Who that saved me

She's here to say it's not the same as yesterday
You can change and you don't have to be alone
She's here to say there's a better way
If you'll open your heart

Goodbye to the life that blinded me
Hello to the one who saved me
Goodbye to the life that blinded me

Hello to the one who forgave me
Goodbye to the life that blinded me
Hello to the one who saved me
