Visit "[In The Dark](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Things I've held close have passed away  
So I try to look for a brighter day  
Memories of my past haunts my destiny  
My dreams are illusions inside of me  
Is nothing for real I can't tell no more  
I've never been in this place before  
There has got to be a way out of here  
Nothing but blackened walls I'm getting scared  
In the dark, don't be afraid of the dark  
No rest for the wicked, I know that now  
I'm ready to rest but I don't know how  
I had surrendered my soul to the evil side  
I need your love Lord to survive
