"Live To Die"

I'm not going to be the one to tell you
That we don't need guns
But I know one thing for sure
We don't need more war
I won't be the one to say
That you need religion
But without a Savior
There's no chance to be forgiven
I'm not the preacher, I'm not the priest
I'm not the devil, I'm not the beast
I'm not a prophet, I'm not a witch
Live to die, die to live
I won't be the one to say
There's some things you can't deny
But I know one thing for sure
True love will never die
I won't be the one to say
That we are all damned
But I know one thing for sure
We're children of the Lamb
