Is it heavy  
Is it white  
Can I stab it with a knife  
Will it bite  
Will it scratch  
Can I strike it with a match  
Can I shut it  
Can I lock it  
Can I fit it in my pocket  
Can I move it  
Can I love it  
Can I hold it  
Can I shove it  
Is it round  
Is it wide  
Will it know it if I lie  
Will it bounce  
Will it roll  
Do I have to pay a toll  
Will it fit through a door  
Can I sit it on the floor  
Can it run  
Can it fly  
Will it swim  
Will it try  
Will it hurt  
Will it burn  
Is it none of my concern  
Can I buy it  
Can I sell it  
Can I trade it  
Can I kill it  
Will it know if I am gone  
Will it sneeze  
Will it yawn  
Is it short  
Is it tall  
Will it look good on a wall  
Can I teach it  
Will it learn  
Is it stable  
Will it turn

Can I crash it  
Can I smash it  
Can I beat it into ashes  
Will it growl  
Will it howl  
Can I lay it in a pile  
Can it think - tell the time  
Is it psychic - read my mind  
Will it tickle  
Can it laugh  
Can I cut it into half  
Will it die  
Will it mold  
Can I leave it in the cold

Is it borrowed  
Is it stolen  
Is it bruised  
Is it swollen  
Is it nasty  
Is it gross  
Can I eat it with my toast  
Is it hot like a coal  
Does it have a soul  
Can it tell if I am lying  
Does it know the world is dying  
Does it think - have a conscience  
Does it know that time's upon us  
Does it read - understand  
Can I hold it in my hand  
Will it run if it's mad  
Does it have a mom and dad  
Can I drive it  
Can I fly it  
Who will know if I try it  
Is it loud just like thunder  
Does it look like any other  
Does it know it is forgiven  
Can it tell if I have sinned
