You won't get satisfaction
I was born into action
Saluting all your rejection
Rejection, rejection, rejection

(yeah) did I infect your infection
(yeah) did I become your reflection
(yeah) did I confess your confession
(yeah), (yeah), (yeah)

Chorus

(white trash) so you say your not a white trash
(white trash) think you seen enough yeah
(white trash) razorblade oh yeah
(white trash) so you say your not a white trash yeah
what you think about that, what you think about that,
what you think about that, what you think about
That, that, that

Verse
