There is a light in you,
I have fallen into.
There is a light in you,
I have fallen into,
Fallen in too.

Put all your weapons away.
I won't fight you just to spite you.
Put all your weapons away,
And your mask, it's failing anyway,
Falling away.

Stop, listen, feel.
Stop, listen, feel.
Stop, listen, feel.
Believe, believe.

And if love is a war,
I won't have any more.
If this is what we call a war,
I won't have it anymore

Stop, listen, feel.
Stop, listen, feel.
Stop, listen, feel.
Believe, believe.

Put all your weapons away,
And end all your casual ties.
Put all your weapons away,
And end all your casual ties.
Casual ties.

Believe all your lives.
Believe in your lives.
Believe all your lives.
Believe in your lives
