Chorus:

Let me take you to another place
Without a trace
Of Your Love
I'm no one here
Left alone to breathe a different air
A stronger care
Of a lonely memory

2x:

Let me take you to another place
Small inside to fit inside my soul
My one console
Of a world I do not know
Stay with me I won't betray your thoughts
I'm not a bore
Never have, not knowingly
Let me take you to another place
Without a trace
Of your Love...

I'm no one here

7x:

I dream of you

Chorus 2x
