A stranger man had unkind words for me today, i
figgad he was sad
Cause never had a thing go his way
Could have set him straight but i figgad
We gotta ride this piece of dirt around the sun, we
should kick it and just
Be
One
We gotta ride this piece of dirt around the sun, we
should kick it, cause i
Figga
I could be you could be me, we could be nothing,
everything
Stranger man had to preach his politics today and i
figgad 'hey there's somebody talking to me who
believes in what they're saying'
Pretty girl didn't hesitate to make it to the top of the line
but i figgad
We gotta ride this piece of dirt around the sun, we
should kick it and just
Be
One
We gotta ride this piece of dirt around the sun, we
should kick it, cause i
Figga
I could be you could be me we could be nothing,
everything
And it's alright if you ain't diggin' the vibe of the way i
be, cause i'm living my right
No i'll never be a saint but i've tried everything and
what keeps getting me high
Is knowing we ride as one
Around the sun.
We gotta ride this piece of dirt around the sun, we
should kick it, cause i
Figga
I could be you could be me we could be nothing,
everything
And it's alright if you ain't diggin' the vibe of the way i
be, cause i'm living my right
No i'll never be a saint but i've tried everything and

what keeps getting me high
Is knowing we ride as one
Around the sun.
