[Molly]

Just walk to this  
Don't be afraid  
People walk to this

Just walk to this  
Don't be afraid n\*gga  
Walk to this

Just walk to this  
Don't be afraid  
Bitches walk to this

[Drift]

Yo I wish I never met this girl  
(what you say?)  
Said god has blessed you girl  
You very special girl  
Yeah right girl you talk too much  
(what you say?)  
I said I'm lost in lust  
You got the softest touch  
Its too bad your head is hard as a brick  
(what you say?)  
Said your my heart I admit  
When we apart I get sick  
I'm only sick cause you aint chewin no gum  
(what you say?)  
I said you're beautiful hun  
You got you're cuticles done  
Shit shoulda fixed that raggedy weave  
(what you say?)  
No man's as happy as me  
Since I'm a daddy to be  
Even though I know that this baby aint mine  
(what you say?)  
I said my lady is fine  
She got the crazy behind  
But your sister ass is fatter then yours  
(what you say?)  
I said the cash in the drawer

Mami bring a sandwich back from the store  
Before I'm tappin your jaw  
(what you say?)  
Your love is crackin for sure  
I'm comin back for some more  
She said

[chorus: (Drift) & Molly]  
Soon as I get home I'll give you a call boo  
(Don't call me, I'ma call you)  
I'ma take you out to dinner and maybe the mall too  
(Mami don't call me, please I'ma call you)  
Maybe later we can chill my crew and your crew  
(Don't call me, I'ma call you)  
I'll be waitin by the phone till the call come through  
(Just don't call me, I'ma call you)

[Molly]  
Ayo I wish I never met this dude  
(what you say?)  
God has blessed you dude  
You very special too  
Yeah right boy you lost your touch  
(what you say?)  
I said I'm lost in lust  
With such an awesome thug  
It's just too bad your dough aint long as your dick  
(what you say?)  
When we just runnin the stick  
I empty all of this clip  
I woulda never thought that you was a punk  
(what you say?)  
I said it's you that I want  
Them otha losers is chumps  
Now won't you run and smoke a bag of some glue  
(what you say?)  
I said my man is the truth  
And that I'm glad I pursued  
I damn near passed out seein your face  
(what you say?)  
Them n\*ggas feind for a taste  
They wanna be in your place  
This n\*ggas stupid thinkin he gettin some brain  
(what you say?)  
I said I lose it  
Everytime they mention your name  
You just don't know I'd rather be with your man  
(what you say?)  
I'm lookin forward to tonight  
Hope you aint makin no plans  
He said

[chorus: (Molly) & Drift]

Soon as I get home I'll give you a call boo

[Drift]

Yo see Drift has balled before  
And I'ma ball some more  
Girl I got what I needed  
What I'ma call you for  
See ma believe me  
I'm doin you breezy  
Next time you see me  
Will probably be TV  
If you wearin a bra and panties  
Then lady you overdressed  
Loosen up some  
Drop your pants and show your breasts  
Soon as the fun is over  
I'm leavin her all depressed  
Like don't call..  
Nah forget it you know the rest

[chorus: (Drift) & Molly]

Soon as I get home I'ma give you a call boo  
(Mami don't call me, I'ma call you)  
I'ma take you out to dinner and maybe the mall too  
(Mami don't call me, please I'ma call you)  
Maybe later we can chill my crew and your crew  
(Don't call me, I'ma call you)  
I'll be waitin by the phone till the call come through  
(Just don't call me, I'ma call you)

[Drift]

Just walk to this  
Get on the floor baby  
Baby walk to this  
Don't be afraid  
People walk to this  
Walk to this  
Get on the floor  
People walk to this  
Baby walk to this  
Don't be afraid  
People walk to this
