Transform our hearts
Into melody
And remove the parts
Then the tragedy

And Iâ€™ll build a wall underneath the sea
To look over your shoulder
Look over your shoulder
Look over your shoulder just to see

All your enemies
Watching you watching me

(itâ€™s the weight of the world that weâ€™re on to, itâ€™s the
weight of the world. Itâ€™s the weight of the world that
weâ€™re on to, itâ€™s the weight of the world.)

weâ€™ve left our hands
with no escape
and our hearts are tied
tied to his me

and if we let them go
will we break
mmmâ€¦ mmmâ€¦

(chorus)

itâ€™s the weight of the world that weâ€™re onto, itâ€™s the
weight of the world that weâ€™re standing on
itâ€™s the weight of the world that weâ€™re onto, itâ€™s the
weight of the world that weâ€™re standing onâ€¦
standing on, Iâ€™m not standing on

come on with your fingers
come on with your fingers
come on with your fingers
donâ€™t slow down

come on with your fingers
come on with your fingers
come on with your fingers

don't slow down

come on with your fingers

come on with your fingers

come on with your fingers

don't slow down

ooohhhh... ooohhhhhh..... ooohhhh...

ooohhhhhh... ooohhhh... oooooohhhh
