If you need some peace of mind
Put your head in my stars
If you need a little light
Put your eyes into mine
For a little relief
There are days, when i know you're afraid, so am i
But there's a reason why we're here, we're here
For a little relief
Were just lonely people, yeah were all just lonely
people walking around in the world
To be unlonely people, here is where you belong
For a little relief
If you feel ashamed to cry
Put your eyes into mine
Were just lonely people, yeah were all just lonely
people walking around in the world
To be unlonely people, here is where you belong
Lonely people, yeah were all just lonely people walking
around in the world
To be unlonely people, here is where you belong
For a little relief.
Lonely people
Here is where you belong
Lonely people.
