Woke up a little too rough
Looking like a quarter
When a dollar ain't enough
This room is just a mess
Nothings ever working
And I couldn't care less

You know I ain't got no honey
Because I ain't got no money
Broke up, no good bye
Now it's down to slumming
And living high and dry

So don't go comin' around
No more bringin' me down

There's nothin' left, baby
It's all over now
That's why, can't cry
Now you've got a ticket
It's all over now

So tough, all her jive
Need a lot of action
Just to keep it alive
Blue moon love in June
Nothin' but a promise
Of trouble comin' soon

Ain't got a lover
Who ain't got another
Woke up, just enough
Give you all I ought to
But it never was enough

No more comin' around
No more bringin' me down

Nothin' left, baby
It's all over now
That's why, can't cry
It's all over now

Nothin' left, baby
It's all over now
That's why, can't cry
Now you've got a ticket
It's all over now, yeah

She done me wrong
It's all over town
Now she's gone
Your turn to cry

Nothin' left, baby
It's all over now
That's why, can't cry
It's all over now

Nothin' left, baby
It's all over now
That's why, can't cry
Now you've got a ticket
It's all over now, oh yeah

Over now, its all over now
See you
