Let's shake this town, baby
Come with me
I need a little lovin' company
C'mon now, I know where we can go

This is the time
T'stay out all night
I've gotta fire like a heavenly light
C'mon baby, let's take a drive

C'mon, baby
Let's do it right
Time to dance
In the magic light
Of the desert moon

Well, let's lay it down
Under a cactus tree
Give a little lovin' ecstasy
C'mon now, it's time to go

Little baby
You're a beautiful sight
I've got the love, we have the night
C'mon baby, it's time to fly

C'mon, baby
Let's do it right
Time to dance
In the magic light
Of the desert

Come on, honey
Let's get it right
Make romance
In the magic light
Of the desert moon

C'mon, baby
Let's do it right
Time to dance
In the magic light

Of the desert

Come on, honey

Let's get it right

Make romance

In the magic light

Of the desert moon
