Been thinkin' now, oh what I should do  
I gotta decide  
Just waitin' here on the likes o' you  
My Thursday child

I'll face the music that I hear in my head  
As the night rolls by  
Song of a drifter lost to the road  
Tryin' to, to reach for the sky

Gotta get on the road  
Gotta long way to go  
Gotta get on home

Gotta get on the road  
Gotta long way to go  
Gotta get on home

So nothin' lasts and I can't change  
Been this way too long  
Love burns so fast, but when you see the flame  
You gotta let it shine on

God only knows, it's hard to find  
Ooh, a place to belong  
And as you grow, and you find your way  
You'll have to move on

So I go my way like a shadow at night  
Like a name on the wind  
I'll sail away to an ocean of love  
Oh, let the tide roll in

Gotta get on the road  
Gotta long way to go  
Gotta get back home

Gotta get on the road  
Gotta long way to go  
Gotta get back home

Gotta get on the road

Gotta long way to go  
Gotta get back

Like a river runnin' outta the snow  
Down to the ocean I'll go  
Like a river with a soul of its own  
I gotta let my love flow

Gotta get on the road  
Gotta long way to go  
Gotta, gotta find my way back home  
[Incomprehensible]

Oh, gotta find my way, my way back home  
Been such a long time  
Find my way, gotta find my way
