I know the spell you're under  
I know it so well  
How far? Well may you wonder  
No way to tell

I've traveled miles from nowhere  
Where suns never rise  
Lookin' to find a meaning  
Now open your eyes

Yeah  
I've been this way so long  
Tomorrow's gone

See if the rhyme has reason  
Chasing the wind  
Look for a change of season  
Somewhere to begin

Yeah  
The freeway is my song

Now hiway nights, red tail lights  
Lead my love light on  
Hiway nights, freeway sights  
To this eagle I belong, it rolls me on

So how can I bring you lovin'  
Out of the night  
Is it a dream  
To fade in the light?

Yeah  
The freeway is my song

Hiway nights, red tail lights  
To this eagle I belong  
Hiway lights, freeway sights  
Lead my love light on

Hiway nights, red tail lights  
Lead my love light on

Hiway lights, of the freeway sights  
To this eagle I belong, it rolls me on

Baby, won't you start your motor?  
Oh baby, won't you turn it over?  
Baby, won't you drive me  
Drive me through the night?

Hiway nights, red tail lights  
To this eagle I belong  
Hiway lights, of the freeway sights  
Lead my love light on

Hiway nights, red tail lights  
Lead my love light on  
Hiway lights, of the freeway sights  
To this eagle I belong, it rolls me on  
[Incomprehensible]
