When I was younger, trusted fate to pave the way
Love was so easy, just a game that children play
No time-out for changes, all my days are darkened
dreams
Now there ain't nothin' and nothin's what it seems

You know heartache comes full circle, yeah
Has the past returned again, again

I'm upside down, I don't understand you anymore
Is it somebody else I see walkin' through my door
No more lies on the table, no more pictures on the wall
Feel like I'm livin' in a loveless age

Night brings no comfort, a rider on the storm
Lookin' for reason in the face of destiny
'Cause faith has no meanin' in a broken dream
Where there ain't no one, and no one's who they seem

You know heartache comes full circle, yeah
And the scars on the soul never fade

I'm upside down, I don't understand you anymore
Is it somebody else I see walkin' through my door
No more lies on the table, no more pictures on the wall
Feel like I'm livin' in a loveless age
Feel like I'm livin' in a loveless age

I don't want you, what I need is the touch of a woman
Who won't try to make me bleed
Maybe I'm crazy, yeah baby that's me
No, no, no, no, no, no don't go draggin' me down
And then leave me to drown in this loveless age

I'm upside down, I don't understand you anymore
Is it somebody else I see walkin' through my door
No more lies on the table, no more pictures on the wall
Feel like I'm livin' in a loveless age

Feel like I'm livin' in a loveless age
Feel like I'm livin', in a loveless age, oh
Livin' in a loveless age, oh yeah

It's not that easy in a loveless age
No more, no more in a loveless age

Loveless, yeah
Feel like I'm livin' in a loveless age
Feel like I'm livin' in a loveless age
