Ooh

Take a walk

That girl is just a cool good looker
That baby's sweeter than raw brown sugar
Never mind 'cause the fancy took her
She says she wants to have the small head rock her

What a smile, don't it drive you insane
Ooh, my baby, uh huh
Drive a mile, just to ride back again
Baby, won't you rock it tonight

And when she's in the mood
When she needs that lovin' groove
When she wants it rude
She grooves with Mista Bone

If she's in the mood
If she hits that lovin' groove
When she's gettin' rude
She grooves with Mista Bone

Just take it like a sweet injection
Just a token of my affection
Another night we'll take another direction
I'm gonna play you like a rhythm section

What style, let me see that again
Ooh, my baby, oh yeah
Drive a mile, just to ride you again
Baby, won't you rock it tonight

And when she's in the groove
When she gets that lovin' mood
When she wants it rude
She grooves with Mista Bone

When she's in the mood
When she hits that lovin' groove
When she's gettin' rude
She grooves with Mista Bone

Oh, when she's in the mood
When she needs that lovin' groove
When she wants it rude
She grooves with Mista Bone

If she's in the mood
If she hits that lovin' groove
When she's gettin' rude
She grooves with Mista

Bone
