I can take you up, I can tear you down  
I'm a heat wave comin' at you  
Takin' what I please, fallin' on your knees  
You need me, yes, you do

From the moment I take over  
You're gonna call me back for more, for more

Down on your knees  
Down on your knees  
Down on your knees

Down on your knees  
Down on your knees  
Down on your knees

Knockin' down your door, pull you to the floor  
'Cause you need it so bad  
Takin' what I choose, never gonna lose  
I love to make the young girls wild

Wanna drive my love inside you  
Gonna nail your ass to the floor, watch out

Down on your knees  
Down on your knees  
Down on your knees

Down on your knees  
Down on your knees  
Down on your knees  
There it goes

Down on your knees  
Down on your knees  
Down on your knees

Down on your knees  
Down on your knees  
Down on your knees

Oh yeah, listen

Here I come now, baby  
Kickin' down your door  
Here I come in [Incomprehensible]  
I pull you to the floor

I'm takin' what I choose, girl  
[Incomprehensible], I'm never gonna lose  
I love to drive the young girls wild  
Drivin' my love inside of you

Down on your knees  
Down on your knees  
Down on your knees

Down on your knees  
Down on your knees  
Down on your knees

Get down on your knees  
Get down on your knees  
Down on your knees

Down on your knees  
Fucking down on your knees  
I want you down on your knees
