Found myself inside an empty room
Waitin' for the beast to make a move
Ridin' through the TV air
The devil makes his playground anywhere

One day little baby
Don't you be surprised
But I'll be gone
You know that's true

Meantime all my friends are comin' down
Overshootin' exits outta town
Trapped in cans inside of traffic stacks
As the bright lights call them back

To Psycho City
Psycho City

Someday if the smoke clears from your eye
You'll recognize your helter skelter life

One day little baby
You gonna realize
Right from wrong
It'll come right to ya

Meanwhile as the band is goin' on
Double-crossin' dodges get it on
Complicatin' every little fact
Don't ever turn your back

On Psycho City
Psycho City

Someday as I make my way by song
I'll find out where I should belong
Jump my wheels right off the twisted track
'Cause I'm never goin' back

To Psycho City
Psycho City
Oh Psycho City

Ps-ps-psycho City
